

Make Your Shelter Beautiful

Is your shelter starting to show its age? A few bumps and lines and sags showing up around the edges? Could it use, metaphorically speaking, a little Botox?

If so, check out Zootoo.com, a new website where pet lovers rate and review pet services and products. The site is offering prizes—including cash awards and a shelter makeover valued up to \$1 million—to 20 nonprofit shelters.

Pet lovers can earn points for the shelter of their choice by registering at

Zootoo.com before March 31—you can get 100 points for your facility just by entering the code mailed to your shelter. Didn't receive a code? Get one by calling 1-877-580-7387.

And be sure to note that the winner will be chosen from the top 20 by a panel of animal care experts—so don't be intimidated by shelters that seem to have racked up big points already! Learn more and get details at zootoo.com/makeover. **AS**
