

There's nothing friendly about most **“pet-friendly”** rentals ...

Up to 78 percent of the nation's apartment buildings claim to be “pet-friendly,” yet as many as half a million pets wind up homeless each year because their owners can't find rental housing that will accept them.

Why? Because most “pet-friendly” housing typically has weight limits, breed restrictions or other unfair policies.

*Check out the new Advocate's Guide to Pets Are Welcome **to learn how you can help keep families together and expand housing options for pet lovers like you, and join us in changing the rental housing industry's bad pet policies.***
