

Do you get *Animal Sheltering* magazine?

It's the only publication that exclusively covers the people, trends and best practices making a difference for homeless and abused pets.

Our quarterly magazine offers:

- In-depth coverage of the shelter and rescue community's work
- Professional development and insightful, uplifting analysis of trends in the field
- Education and advice on topics from human resources to cruelty investigations to fundraising
- Regular new content, blogs from experts in the field and further in-depth resources at animalsheltering.org
