

STEREOTYPES ARE THE PITS.

I'm a good dog, a snuggler, a ball-fetcher.
I'm a house-minder, a bed-warmer, a smiler.
I like sunny days in the park, chew toys, and treats.
I like to run and run and run and run and run.

And not once have I ever, ever been in a dogfight.

Like all dogs, I'll be as good and loving
as the people who call me their own.

ARE YOU GOOD ENOUGH FOR A DOG LIKE ME?
