OF THE UNITED STATES

WHAT WOULD YOU DO IF YOU COULD HAVE 18 CHILDREN A YEAR?

EXACTLY!

[Please Spay or Neuter Your Pets]

In Louisiana, 92,000 homeless pets
are put down each year due to overpopulation;
thousands more suffer in our streets.

Louisiana shelters can't save and support the huge number of accidental
litters, strays and family pets brought to the shelter door every day.

Call your vet or local Spay/Neuter organization.
Affordable assistance is available.
