In normal non-emergency situations, all cats/kittens adopted from the Loving Care Cat Rescue, Inc (LCCR) have had spay/neuter surgery prior to adoption.

The cat/kittens(s) you are adopting today falls into this category. Therefore, it is imperative that you agree to the following:

1. I understand that the cat/kitten(s) I am adopting today, to the best of our knowledge, is NOT altered.

3. I understand that as part of my adoption from LCCR, spay/neuter is MANDATORY, and I agree to have this surgery done **within 30 days of** spay/neuter resources becoming available again.
4. I understand that I can either choose to have the procedure done at my Veterinarian at my expense OR have the spay/neuter performed through LCCR resources at no cost to me.
5. I understand that if I choose to use my own Veterinarian for the spay/neuter surgery, I will NOT receive a refund from LCCR for the spay/neuter fees included in the adoption donation I paid.
6. I understand that if I choose to use my own Veterinarian for the spay/neuter surgery, I will provide LCCR documentation that the surgery was completed within 30 days of the surgery.
7. I understand that if I want to utilize LCCR's spay/neuter resources, it is my responsibility to initiate contact for the surgery appointment. I also understand that LCCR will set up an appointment for the surgery and it is my responsibility for transport to and from the appointment.
