

Rehome

by Adopt-a-Pet.com & The Petco Foundation

Getting started referring pet owners to Rehome is easy!
Just follow the steps below.

1. Make sure you have an active Adopt-a-Pet.com account. You can search for your organization here: <https://adoptapet.com/animal-shelters>
2. If you/re not on the list, create a new Adopt-a-Pet.com account here: https://www.adoptapet.com/shelter/terms_conditions_signup.html
3. Place a Rehome banner on your website which when clicked will automatically track that referral back to your organization. You can find your organizations unique Rehome banner URL here: <https://rehome.adoptapet.com/shelters>
4. Email april@adoptapet.com to get your Rehome toolkit. This toolkit will include your unique Rehome URL and a bunch of other resources for you to use.
5. Add your unique Rehome URL to your canned email responses.
6. Educate your staff and volunteers on Rehome and how they can refer pet owners into the service.
7. Add your unique Rehome URL to your voicemail message.
